

## Development Services Center LICENSE CLASSIFICATIONS

(REVISED 5/06)

**BUILDING CLASS A-1:** This license shall entitle the holder to contract for **COMMERCIAL AND/OR RESIDENTIAL** construction, demolition, alteration or repair of any type or size of structure permitted by the building codes adopted by the City. License fee is \$150.

**BUILDING CLASS A-2:** This license shall entitle the holder to contract for **RESIDENTIAL** construction, demolition, alteration or repair of any type or size of structure permitted by the building codes adopted by the City. License fee is \$100.

**BUILDING CLASS B:** This license restricts the holder to contracting for limited "construction-type" work which does not involve construction of a structure itself, including, but not limited to, such types of work as repair/maintenance/installation of siding, windows, roofing, tile, carpet, cabinets, counters, sprinkler systems used for irrigation purposes, sheet-rock, concrete work, paint, and the like as adopted by the City. License fee is \$50.
