**AIRPORT PLANS FOR THE FUTURE**  
*Mayor to Host Project Kick-Off Event*

Pocatello Mayor Brian Blad will host an Airport master plan update kick-off event Wednesday, November 17, 2010 at 2:00 p.m. The event will be held at the Terminal Conference Room, 1950 Airport Way, at the Pocatello Regional Airport.

The purpose of the event is to start an 18-month FAA-required project that, according to the FAA Advisory Circular on master planning, will "...provide the framework needed to guide future airport development that will cost-effectively satisfy aviation demand, while considering potential environmental and socioeconomic impacts." The update will look at both aviation and non-aviation development opportunities.

Mayor Blad, Airport Manager David Allen and representatives from the consulting firm Reynolds, Smith and Hills, Inc. will provide information about the project's importance in light of the Airport's development potential and the establishment of an Urban Renewal District, along with a description of the planning process.

The event is open to the public. For more information, contact David Allen at 208-234-6154.
