COMMUNITY-ORIENTED POLICING AND CRIME TREND ANALYSIS
Public Invited to Police Department's July 26, 2010 Meeting

The Pocatello Police Department will be holding its quarterly Community Oriented Policing (COP) meeting Monday, July 26, 2010, at 3:00 p.m. in the City Council Chambers. In a continuing effort to keep citizens informed and to receive input from the community, the meeting is open to the public for the first time.

The COP meetings consist of division presentations that assist the Police Department in reviewing crime and traffic trends, including types of crimes and violations, citizen complaints and resolutions, team projects and results, goals and action plans, and miscellaneous other information. There will be approximately 15 minutes set aside for discussion and questions from the audience at the conclusion of the presentations.

For more information, contact Chief Miller's Office at 234-6113.
