STREET OPERATIONS DEPARTMENT MILLING AND PAVING PROJECTS

Two Projects Set for Next Week

The City of Pocatello Street Operations Department will be undertaking two milling and paving projects next week. Crews will be milling Monte Vista Drive, from Alameda Road to Lucille Avenue, beginning Tuesday, September 7, 2010 and continuing through Wednesday, September 8, 2010. On Thursday, September 9, 2010, Charles Place will be milled.

Work will begin at 7:00 a.m. and continue until 5:00 p.m. each day. Traffic will be detoured and flaggers will be on site to direct traffic around the construction area. Motorists should expect delays and use alternate routes to avoid travel in the area.

No parking will be allowed on the street from 7:00 a.m. until 5:00 p.m. Residents should expect delays and should park vehicles out of the construction area and somewhere they will be able to access them while work is being done. There will be times that access into and out of the area will not be allowed. Crews will finish the work on both Monte Vista Drive and Charles Place as quickly as possible.

The streets are scheduled to be paved the week of September 13, 2010.
