### New Items on Display

In recognition of the 50<sup>th</sup> anniversary of the Berlin Wall construction, Marshall Public Library is currently displaying several pieces of the Berlin Wall and a poster from Berlin showing an East Berlin soldier helping a young West Berlin boy escape. To accompany the display, the Disney movie Night Crossing will be shown August 26, 2011 at 3:30 p.m. in the Children's Meeting Room. This movie is based on the true story of the courageous escape of two families from East Berlin.

The second display case is filled with memorabilia from the 1940s through the 1960s. This month the Read around the World display focuses on items from Brazil.

For more information about the displays or other programs at the Marshall Public Library, call 232-1263.
