New Displays at Marshall Public Library

This month the Marshall Public Library has various items from many different types of sports on display. There is also a special sports themed photography scavenger for patrons to play. Just come to the Reference Desk upstairs and ask for the scavenger hunt information.

The Read around the World display case this month has items from Samoa to look at, and the book display focuses on biographies. These are offered in English, Spanish, large print, video and audio format.

Don't forget to join us October 19, 2011 from 6:00 p.m. to 8:00 p.m. for board game night!
