ANNUAL LEAF COLLECTION SET TO BEGIN

Pickup October 31 through November 26, 2011

On Monday, October 31, 2011, the City of Pocatello Sanitation Department will start its annual leaf collection service for Pocatello residents. This special collection runs for four weeks and will end November 26, 2011.

Bags and/or boxes of leaves should be placed in the same location as regular garbage pickup and set out at the same time. A crew will be by that same day to collect all the leaves. Please note, however, that there is a 25 pound weight limit for bags and boxes of leaves. Anything heavier than that may be left behind.

The department is also making plans for its special collections for holiday garbage and Christmas trees. These special collections will take place at the end of December. More information will be available closer to the actual dates.

For more information, call the Sanitation Department at 234-6193.
