WATER DEPARTMENT CREWS RETURN TO FIVE DAY WORK SCHEDULE
Winter Hours Begin Monday, October 24, 2011

The City of Pocatello Water Department crews will return to a winter work schedule on Monday, October 24, 2011. The hours will be 7:00 a.m. to 3:30 p.m., five days per week, Monday through Friday.

Employees have been working ten-hour days, four days per week throughout the summer to allow them to coordinate their work schedules with construction contractors and to take advantage of longer daylight hours. The return to eight-hour days will permit better utilization of the shorter daylight hours during fall and winter.

Water Department emergency personnel are on-duty from 3:30 p.m. until 11:30 p.m. weekdays, from 8:00 a.m. until midnight on weekends and holidays, and are on call for the balance of the off-duty hours. Emergency personnel can be reached by calling the after-hours number which is 234-6181.

Please contact the Water Department at 234-6174 for further information.
