I would recommend following the recommendations of Tom Kirkman, Street Superintendent. I would further recommend the Council authorizes the Mayor to sign all documents to effectuate this purchase. If you have any questions, please feel free to contact me.

MEMO

DATE: March 12, 2021
TO: Mayor Brian Blad and City Council
FROM: Tom Kirkman, Deputy Public Works Director
SUBJECT: Recommendation for Micro-Surfacing Service & Product – Piggyback

It is my recommendation that the City of Pocatello Street Operations Department piggyback the VSS International, Inc. 2019/2020 bid price of \$1.85 per square yard for Type III Fiberized Micro Surfacing with a mobilization fee of \$26,000.00. The area we anticipate covering this year is approximately 310,000 square yards for an estimated total of **\$599,500**. This amount has been budgeted for in the Street Operation’s FY2021 budget line 003-2002-500.80-01.

VSS International, Inc. was awarded a competitively bid contract with the City of Pocatello in 2019, and has, once again, agreed to allow the City of Pocatello Street Operations Department to piggyback said prices upon your approval.

The agreement from VSS International, Inc. to the City of Pocatello to honor the piggyback price is attached for Council and Mayor approval. The Council may wish to authorize Mayor Blad to sign and execute the contract.
