AGENDA ITEM NO. 6: This time was set aside for the Council to receive public comments PUBLIC HEARING on proposed amendments to the Fiscal Year 2018 budget. -FISCAL YEAR 2018 BUDGET AMENDMENTS

Mayor Blad opened the public hearing.

Joyce Stroschein, Chief Financial Officer/Treasurer, gave an overview of the proposed amendments to the Fiscal Year 2018 budget. She stated the amendments are necessary in order to account for unplanned revenue and subsequent expenses during the year.

Mayor Blad announced no written correspondence had been received.

There being no public comments, Mayor Blad closed the public hearing and announced an ordinance had been prepared for Council's consideration under Agenda Item No. 17(b).

AGENDA ITEM NO. 7: This time was set aside for the Council to receive comments PUBLIC HEARING from the public concerning a request by Kenneth Horsley, -REZONE BY CONTRACT represented by Rocky Mountain Engineering and Surveying (mailing address: 600 East Oak Street, Pocatello, ID 83201), to rezone by 9100 BLOCK OF ANDERSON LANE contract property located in the 9100 block of Anderson Lane, south of Pocatello Creek Road from Residential Medium Density

Single Family to Light Industrial for self-service storage and an outdoor storage area for recreation vehicles and boats.

At their meeting on August 8, 2018 the Planning and Zoning Commission recommended approval of the request with conditions.

Mayor Blad opened the public hearing.

Council members announced there was no ex parte communication.

Mitch Greer, Rocky Mountain Engineering and Surveying, gave an overview of the proposed project. He stated the property, on the edge of city limits, borders the baseball fields owned by the Church of Jesus Christ of Latter-day Saints. Mr. Greer stated the Church is not opposed to the project. He added that the proposed development would include a 6-foot solid masonry fence along the west side of Mr.

Horsley's property and along the south side of the baseball field. Vinyl fencing is planned for the east side of the property.

Matthew Lewis, Senior Planner, gave an overview of the proposed request. He stated current zoning would allow construction of single family homes, townhomes or duplexes. Mr. Lewis added that the proposed project would have little impact on traffic and noise in the area. He stated recommended business hours are 6:00 a.m. to 10:00 p.m. daily. Mr. Lewis added that written correspondence was received and previously provided to Council members.

Mayor Blad announced no further correspondence had been received.

Mike Seibert, Pocatello resident, spoke in support of the application. He stated the area is underserved for storage and outdoor storage facilities and feels the proposed development would be a good fit for the area. Mr. Seibert stated he would support extended hours of operation.

Todd Anderson, Pocatello resident, spoke in support of the proposal. He stated his property borders the development on the west side and feels the project would be an improvement to the area.

Sheila Griffiths, Pocatello resident, spoke in support of the proposal. She stated she still has concerns regarding flooding from runoff, and feels the City and County should work with Mr. Horsley to find a solution.

Steven Summerall, Pocatello resident, spoke in support of the proposal. He stated he lives in the subdivision close to the proposed property and feels the project would be a good use of the property. Mr. Summerall stated the shop and land is currently well-maintained by Mr. Horsley.

Larry Wardlow, Pocatello resident, spoke in opposition to the proposal. He stated he lives in the subdivision close to the proposed property and has concerns regarding decreased property values and increased property taxes.

Mr. Greer addressed concerns received during the public comment period. He stated that drainage issues would be addressed during the development stages of the project and that buffering is planned which may alleviate drainage issues which may arise. Mr. Greer stated the recommendations of City staff regarding business hours is acceptable. He reminded the Council that traffic impacts of a storage facility would be significantly less than if the property was developed for residential use. In response to a question from Council, Mr. Greer stated a stormwater pond is planned at the south end of the property, leading to the creek.

There being no further public comments, Mayor Blad closed the public hearing.

A motion was made by Ms. Adamson, seconded by Mr. Bray, to approve a request by Kenneth Horsley, represented by Rocky Mountain Engineering and Surveying, to rezone by contract property located in the 9100 block of Anderson Lane, south of Pocatello Creek Road from Residential Medium Density Single Family to Light Industrial for self-service storage and an outdoor storage area for recreation vehicles and boats with the following conditions: 1) Upon contract rezone, the subject property shall be zoned as Light Industrial (LI) for the construction of eight (8) self-storage structures as well as additional outdoor storage units; 2) upon the cessation of the proposed use of self-storage structures, the City Council will consider the adoption of an ordinance reverting the subject real property to its previous land use zoning district or the zone most appropriate at that time; 3) a sign obscuring fence at least six feet (6') in height shall be erected around the perimeter of the development; 4) all outdoor lighting shall meet the requirements as provided under Pocatello Municipal Code 17.05.420. The maximum height of

any lighting shall not exceed fifteen feet (15'); 5) an automated security gate shall be installed at the entrance and exit. Hours of operation shall be daily from 6:00 a.m. to 10:00 p.m.; 6) any proposed signage shall meet Residential-Commercial-Professional requirements as set forth under Municipal Code 15.20.180; 7) a landscaping plan shall be submitted with a building permit. All trees shall have a caliper of at least one and one half inches (1 1/2") and shrubs shall be at least the size of a five (5) gallon planter. The plan shall also show the areas and types of vegetative and non-vegetative cover; 8) in order to enhance the visual buffer, at least six (6) trees one and one-half inch (1 1/2") in caliper shall be planted at the rear of the existing residence addressed as 2467 Pocatello Creek Road; 9) any standards/regulations not herein noted but applicable to the proposed development shall be strictly adhered to; and 10) any activity requiring a separate development or building permit shall comply with applicable regulations and that the decision be set out in appropriate Council decision format. Upon roll call, those voting in favor were Adamson, Bray, Cheatum, Johnston, Leeuwrik and Mannan.

AGENDA ITEM NO. 8: Carol Klingberg, c/o Jim Price, represented by Rocky Mountain Engineering and Surveying (mailing address: 600 East Oak Street, Pocatello, ID 83201), has submitted a short plat application to subdivide 0.30 acres (more or less) into two (2) residential lots. The proposed subdivision is located at the intersection of West Elm Street and Taft Avenue and is to be called Elm Street Subdivision. The property is located within a Residential Medium Density Multi-family zoning district.

A motion was made by Mr. Bray, seconded by Ms. Adamson, to approve a request by Carol Klingberg, c/o Jim Price, represented by Rocky Mountain Engineering and Surveying, and approve an application to subdivide 0.30 acres (more or less) into two (2) residential lots located at the intersection of West Elm Street and Taft Avenue with the following conditions: 1) All conditions on the Subdivision Application Staff Report shall be met; 2) all conditions set out in the Public Works Department Memorandum from Merrill Quayle, P.E. dated August 17, 2018 shall be met; 3) Subdivision Covenants, Conditions and Restrictions (CCR's), if applicable, shall be submitted to the City; 4) all corrections to the plat which were noted by City Staff shall be made prior to submittal of the final plat; 5) the plat shall conform to all State and local laws and ordinances; and 6) all other standards and conditions of Municipal Code not herein discussed but applicable to residential development shall apply and that the property is to be called Elm Street Subdivision and that the decision be set out in appropriate Council decision format. Upon roll call, those voting in favor were Bray, Adamson, Cheatum, Johnston, Leeuwrik and Mannan.

AGENDA ITEM NO. 9: McCormick Ranch, LLC (mailing address: 547 Partridge Lane, Rexburg, ID 83440), represented by Rocky Mountain Engineering and Surveying (mailing address: 600 East Oak Street, Pocatello, ID 83201), has submitted a final plat application to subdivide 13.34 acres (more or less) into 34 residential lots. The proposed subdivision is located on Champlain Place and Magellan Loop and is to be called Trail Creek Estates Division 2. The property is located within a Residential Low Density zoning district.

A motion was made by Ms. Adamson, seconded by Ms. Mannan, to approve a request by McCormick Ranch, LLC, represented by Rocky Mountain Engineering and Surveying, and approve a final plat application to subdivide 13.34 acres (more or less) into 34 residential lots with the following conditions: 1) All conditions set out in the Public Works Department Memorandum from Merrill Quayle, P.E. dated August 22, 2018 shall be met; 2) all standards of Pocatello Municipal Code 17.05.140 shall be met at the time of final plat application submittal; 3) all other standards and conditions of Municipal Code not herein stated but applicable to residential development shall apply; and 4) a building permit may not be issued unless all applicable standards of City Code Section 16.24.110 are adhered to or a subdivision surety bond and warranty bond is obtained as outlined in City Code 16.24.110, prior to recording and

that the subdivision, located on Champlain Place and Magellan Loop, is to be called Trail Creek Estates Division 2 and that the decision be set out in appropriate Council decision format. Upon roll call, those voting in favor were Adamson, Mannan, Bray, Cheatum, Johnston and Leeuwrik.
