

ROAD CLOSURES & TRAFFIC REPORTS

Beginning the week of May 10, 2021

➔ **STREET OPERATIONS DEPARTMENT**

You can view the sweeping map at:

<https://pocatello.us/DocumentCenter/View/654/>

- **SWEEPING**

Street sweepers are currently performing their annual spring clean-up. During this time, crews will sweep each street in the city once. After clean-up is complete, crews will then move to their regular sweeping schedule.

- **PATCHING**

Street Operations will be patching potholes and curb lines throughout the city in preparation for upcoming pavement treatments, which may require intermittent lane closures and possible temporary road closures as work is performed.

- **JETTING STORM DRAIN LINES**

Street Operations will be jetting storm drain lines throughout the city. There may be intermittent lane closures while work is being performed.

➔ **WATER DEPARTMENT**

WATER LINE INSTALL

Beginning Monday April 26th, crews will begin the process of replacing the water main line on North Lincoln Avenue, North Buchanan Avenue, and finishing up on Custer Street. Crews will work between the hours of 7 a.m. to approximately 5:00 p.m., Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. However, every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.

➔ **WATER POLLUTION CONTROL**

JETTING SEWER LINES

Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.
