- **PATCHING**

Street Operations will be patching potholes and curb lines throughout the city in preparation for upcoming pavement treatments, which may require intermittent lane closures and possible temporary road closures as work is performed.

- **MILLING & PAVING**

Beginning Monday, July 14th-

Street Operations crews will begin milling and re-paving Jefferson Avenue from East Poplar Street to Alameda Road. Access to the construction area will be restricted while work is being performed. Motorists are advised to use alternate routes and expect delays in the work areas.

- **SIGNAL WORK**

E Pine St/Jefferson Ave

Signal maintenance will be performed on the NW corner of E Pine St and Jefferson Ave on Thursday, July 15th, beginning at 6:30 am. The signal will be inoperable during the maintenance. Crews will have temporary stop signs in place for the duration of the signal work. There may be intermittent lane closures while work is being performed. Motorists are advised to use caution and expect delays in the area.

➔ **WATER DEPARTMENT**

WATER LINE INSTALL

Starting Tuesday, June 1st, crews from the City of Pocatello Water Department will begin replacing the water main line on Jefferson Avenue. The project will start at the intersection of Jefferson Avenue and East Poplar Street and continue north to Alameda Road. During the project, detours and road closures will occur. Motorists are asked to use alternate routes when possible. Crews will work between the hours of 6:30 a.m. to approximately 6:00 p.m., Monday through Thursday. Access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. However, every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. The work may cause short-term disruptions to water service. Individuals in and around the construction zone are encouraged to keep a supply of drinking water available. Officials ask parents and guardians to warn children about the safety hazard and to have them stay a safe distance from the construction area. The project is anticipated to take six weeks to complete but due to unforeseen circumstances, the work schedule may change. Residents who have questions about this or any Water Department projects can contact department staff at 208-234-6182.

➔ **WATER POLLUTION CONTROL**

JETTING SEWER LINES

Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.

➔ **IDAHO TRANSPORTATION DEPARTMENT**

None Reported

➔ **ENGINEERING**

None Reported

➔ **CONTRACTORS**

IDAHO POWER

- Beginning the week of July 14th, Probst electric will be performing utility work for Idaho Power in the Sagewood Hills area. Work will be mostly on the shoulders of the road. Please use caution while traveling in this area. Work is anticipated to last through September. Contact will be Tim Frei 435-503-5199

DEPATCO

- On July 15th and 16th DePatco will be performing repairs and paving around the 1900 block of Quinn Road. This portion of the road will be closed with detours posted. Please anticipate travel delays.

➔ **EVENTS**

PORTNEUF VALLEY FARMERS MARKET

Old Town Pocatello is hosting the "Portneuf Valley Farmers Market" every Saturday beginning May 1 through October 30, 2021. The event is located at the Old Town Pavilion, 420 N. Main St. The Market is open every Saturday from 9 am to 1 pm from May through October. Motorists are advised to use caution and expect delays in the area.
