- **PATCHING**

Street Operations will be patching potholes and curb lines throughout the city in preparation for upcoming pavement treatments, which may require intermittent lane closures and possible temporary road closures as work is performed.

- **PAVING**

- **Jefferson Ave-**

- Street Operations crews will continue road work on Jefferson Avenue from East Poplar Street to Alameda Road. Access to the construction area will be restricted while work is being performed. Motorists are advised to use alternate routes and expect delays in the work areas.

➔ **WATER DEPARTMENT**

WATER LINE INSTALL

Beginning Monday, July 19, crews with the City of Pocatello Water Department will start replacing the water main line on North Grant Avenue. The total project area will span over 4,500 feet on North Grant Avenue from Center Street to West Day Street. Crews will start at the intersection of North Grant Avenue and West Bridger Avenue, continuing north to complete the work east of Irving Middle School before the new school year begins. During the project, road closures and detours will occur. Motorists are asked to use alternate routes when possible. Crews will work between the hours of 6:30 a.m. to approximately 6:00 p.m. Monday through Thursday. Access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. However, every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.

WATER POLLUTION CONTROL

JETTING SEWER LINES

Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.

➔ **IDAHO TRANSPORTATION DEPARTMENT**

Wednesday, July 21

VSS will be performing roadway surface treatments to the west leg of the E Gould St. and US 30 (Garrett Way) intersection. This will require intermittent lane closures as work is performed. Motorists are advised to use alternate routes and expect delays in the work areas.
