➔ **WATER DEPARTMENT**

**WATER LINE INSTALL**

Crews with the City of Pocatello Water Department will continue replacing the water main line on North Grant Avenue. The total project area will span over 4,500 feet on North Grant Avenue from Center Street to West Day Street. Crews will start at the intersection of North Grant Avenue and West Bridger Avenue, continuing north to complete the work east of Irving Middle School before the new school year begins. During the project, road closures and detours will occur. Motorists are asked to use alternate routes when possible. Crews will work between the hours of 6:30 a.m. to approximately 6:00 p.m. Monday through Thursday. Access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. However, every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.

➔ **WATER POLLUTION CONTROL**

**JETTING SEWER LINES**

Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.
