

NOTICE OF "NEEDS" PUBLIC HEARING
AND OPPORTUNITY TO APPLY FOR FUNDING

In accord with its Citizen Participation Plan and in anticipation of receiving approximately \$450,000 from the U.S. Department of Housing and Urban Development, the City of Pocatello announces an opportunity for organizations and citizens to comment and provide input on any housing and/or community development needs they may have identified for providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons. Organizations may also present how their applications and funding proposals might meet those needs. The City's Consolidated Plan outlines the City's goals and objectives as they relate to housing and community development needs.

The City's Consolidated Plan enables officials and citizens to collectively solve neighborhood and community problems. This hearing is being conducted in advance of the City's formation of its Program Year 2022 Action Plan for the program year that will begin April 1, 2022. Any and all citizens are encouraged to participate by expressing their views to the Pocatello City Council at the following hearing:
