What period does my first report cover and when is it due?

For a new candidate or new political committee, the first report covers the period from the date the political treasurer was certified through the last day of the reporting period in which certification occurred. This report must be filed on the first due date after certification.

Example: A candidate certifies a political treasurer on June 1, 2019. The first report would cover the period from June 1, 2019 through September 30, 2019 and would be due October 10, 2019.
