FUTURE HOOPERS: This program is for 6 and 7-year-old boys and girls, and focuses on introducing the participants to basketball and the development of basic motor skills necessary to play organized basketball, while they work one-on-one and spend quality time with their parents. The program focuses on teaching children and their parents dribbling/ball handling, shooting, passing/catching, and running/agility. Each week the exercises become increasingly difficult as the class progresses. There are no designated teams or coaches. Parents are required to participate and assist with their child. The class is 45 minutes long once a week for 5 weeks and is limited 8 participants per class session. Class will be held at the Community Rec. Center 144 Wilson. Basketballs will be provided.
