

# FY 2019 Budget Digest

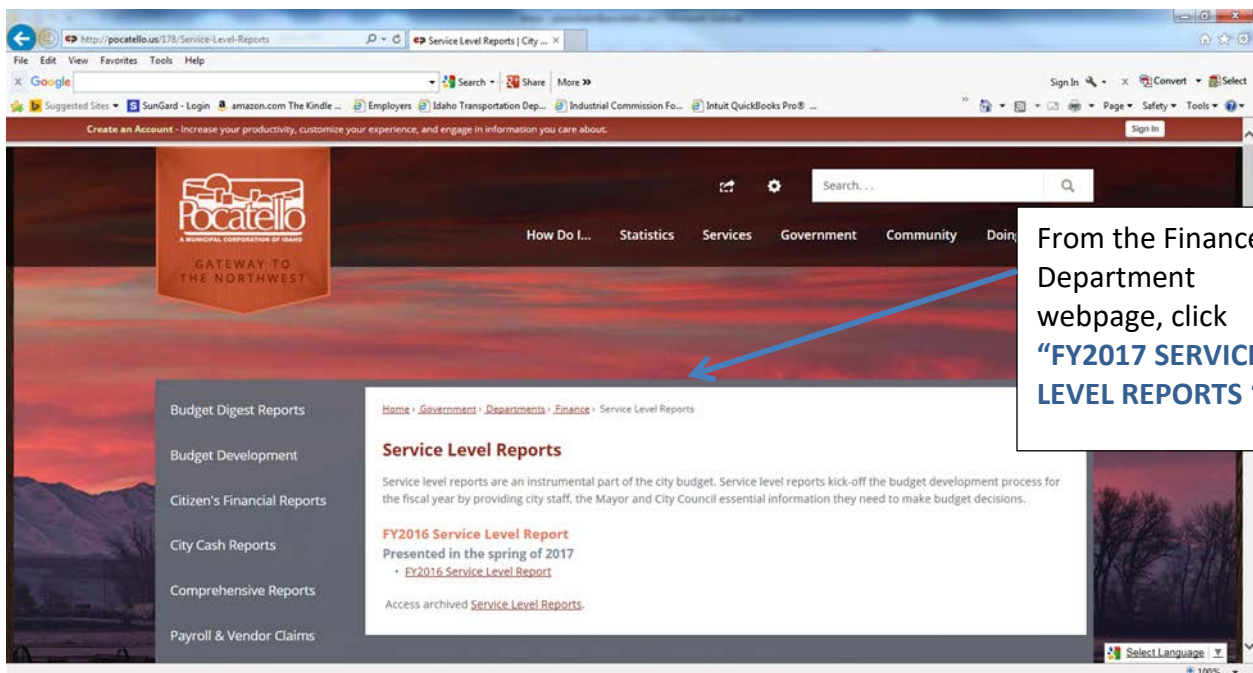

This document provides detailed information on the proposed FY 2019 budget for the City of Pocatello. Fiscal Year 2019 (FY 2019) begins on October 1, 2018 thru September 30, 2019.

A public hearing on the proposed budget will be held at 6:00 pm on Thursday, August 2, 2018 in the Council Chambers at City Hall, 911 North 7<sup>th</sup> Avenue, Pocatello, Idaho 83201.

The City Council subsequently will consider the FY 2019 Budget Ordinance during the regular meeting of August 16, 2018.

The “**Service Level Reports**” briefings available on-line by department provide additional information and analysis that was used to build the FY19 proposed budget. Departments briefed their FY17 results and performance statistics that helped guide resources in the FY19 plan. The link to the report is <http://pocatello.us/178/Service-Level-Reports>

## Discussion & Analysis

**1. Property Taxes.** The FY19 budget projects a 3.25% increase in the city levy rate. The homeowner's exemption remained \$100,000. At current estimates, the levy rate would be .011727390 (\$100,000 taxable value would pay \$1,172.74). Last year's levy was .011358688 (\$100,000 taxable value pays \$1,135.87). Recent city levy rates expressed for \$100,000 taxable value are:

FY2012	\$895.53
FY2013	\$973.25
FY2014	\$1,006.15
FY2015	\$1,078.99
FY2016	\$1,076.99
FY2017	\$1,117.09
FY2018	\$1,135.87
FY2019	\$1,172.74

- Predicted 3.25% levy increase vs. FY18
- Final valuation numbers could result in a smaller increase to levy
- Valuation numbers are provided to the City by the last week of July 2018

The actual tax paid by any given taxpayer depends upon their assessed valuation from the county assessor. Their budgets and consequent levy impacts are not included here.

	<b>FY17</b>	<b>FY18</b>	<b>FY19 (estimated)</b>
\$100,000 Taxable Value	\$ 1,117.09	\$ 1,135.87	\$ 1,172.74
\$200,000 residence (tax impact) (maximum value to take full advantage of current homeowner exemption)	\$ 1,179.22	\$ 1,135.87	\$ 1,172.74
Homeowner's Exemption (50% of taxable value is exempt, up to this limit, adjusted yearly according to an index of home values)	\$ 94,745	\$ 100,000	\$ 100,000

**2. Non-property tax revenue.** The FY19 budget illustrates other non-property tax revenue sources that assist tax supported services. Sales tax revenue continues to see growth and the budget reflects growth from the expected sales tax to be collected from online sales. Sales tax is growing at about 3.5%. General Fund Interest is expected to grow due to increasing interest rates. Some items are up, some are slightly down. The overall revenue situation is improved from last year, but the City has created a budget for their FY19 revenue conservatively as good financial stewards.

Item	2013 actual	2014 actual	2015 actual	2016 actual	2017 actual	Prior 12 mo (FY17/FY18)	FY18 Budget	FY19 Budget
Sales Tax	\$3,918,803.14	\$4,067,130.86	\$4,233,210.29	\$4,370,160.22	\$4,493,587.84	\$4,583,094.83	\$4,649,540	\$4,641,000
Highway User	\$1,802,459.49	\$1,804,708.00	\$1,899,603.18	\$2,491,762.33	\$2,537,589.80	\$2,556,076.21	\$2,475,000	\$2,577,000
Road & Bridge	\$390,173.87	\$365,921.29	\$599,732.75	\$1,054,306.01	\$898,066.43	\$883,286.49	\$750,000	\$800,000
Building Permits	\$456,143.86	\$422,899.29	\$631,230.25	\$861,598.82	\$815,815.34	\$555,191.86	\$675,000	\$675,000
Nat. Gas Franchise	\$366,141.54	\$385,107.79	\$353,410.63	\$367,787.60	\$364,576.38	\$340,926.09	\$365,000	\$365,000
Liquor Tax	\$600,015.00	\$576,433.00	\$570,235.00	\$604,618.00	\$641,665.00	\$658,413.00	\$600,000	\$600,000
Gen Fund Interest	\$25,596.19	\$165,925.40	\$171,154.54	\$247,302.97	\$369,151.18	\$478,510.61	\$225,000	\$475,000
Cable Franchise	\$289,730.63	\$292,102.00	\$267,161.00	\$246,259.82	\$226,671.12	\$212,921.81	\$230,000	\$200,000
Magistrate Court	\$249,337.86	\$274,701.97	\$320,344.75	\$243,525.41	\$217,045.21	\$224,542.10	\$243,525	\$225,000
Electric Franchise	\$402,479.19	\$430,716.75	\$424,396.39	\$432,227.74	\$451,028.98	\$453,885.41	\$440,000	\$440,000
Cemetery Charges	\$284,105.00	\$330,955.00	\$273,190.00	\$332,420.00	\$364,838.00	\$383,950.00	\$340,000	\$380,000
<b>Total For FY</b>	<b>\$8,784,985.77</b>	<b>\$9,116,601.35</b>	<b>\$9,743,668.78</b>	<b>\$11,251,968.92</b>	<b>\$11,380,035.28</b>	<b>\$11,330,798.41</b>	<b>\$10,993,065</b>	<b>\$11,378,000</b>

**3. Budgetary Planning.** The City has developed a more conservative approach to budget development with the concept of, if more revenues become available, we can add the needed department expenses as the Mayor and Council review the additional needs of all departments. The City will continue to review department organizational structures through FY 2019 and make changes predominately through attrition to achieve long-term goals for the City.

The City adopted in fiscal year 2016 a reserve policy for the better management of City funds for cash flow needs and to navigate the possibility of unexpected revenue changes. The policy also dictates how excess reserves will be used. The reserve review report is completed after the annual audited financial data and before budget development meetings begin. During the fiscal year budget development, the reserve policy provided for capital expenditures which allowed the Street department to complete projects and purchase equipment, the Cemetery fund to purchase a riding lawn mower, the Airport fund to repair the terminal roof, and the Transit fund to purchase new buses. This policy has had a positive impact to budget development for fiscal year 2019.

The City has also continued to move unexecuted retirement payoffs for vacation and sick leave to a Retirement Payout Fund. This has created a positive budgetary impact since we only have to budget for an individual retirement one time. Unexecuted capital expenditures are also moved to a Capital savings fund for future use.

**4. Labor Costs & Compensation.** Being a service industry, labor is the single largest cost in the city, accounting for 45.89% of total city expense, including all associated benefits. In the general fund, labor accounts for 76.57% of the budgeted expense (the general fund includes most of the employees in the city, including police & fire). The Consumer Price Index increased 2.041% from October 2016 to October 2017. The City has continued to utilize the new pay plan that was implemented in fiscal year 2018 and general employees (not in their probationary period) will receive a 1-step increase. This hybrid plan rolled the longevity pay into the base wage for employees providing a more transparent reporting of

employee costs. The plan addresses moving employees to a market-based wage. The Fire department is the only department that executes a longevity pay in addition to their base wage. The current contract for the Fire department will not be negotiated again until fiscal year 2020 budget development.

Fiscal Year	Oct-Oct prior yr % Change in CPI	City COLA's
2008	2.08%	1.90%
2009	4.28%	1.00%
2010	3.00%	0.00%
2011	2.63%	1.00%
2012	1.63%	1.63%
2013	2.93%	2.00%
2014	1.59%	1.00%
2015	1.58%	0.50%
2016	1.66%	1.50%
2017	17.00%	0.00%
2018	1.64%	Hybrid Plan
2019	2.04%	Hybrid Plan

Medical benefits were another difficult area in building this budget. The final health insurance expense for the City may increase 11.97% for all non-fire department employees. The Fire department left the City’s medical pool starting in fiscal year 2018. The City’s distribution share rate for insurance is 95% for 1-party, 90% for 2-party, and 85% for 3-party or greater. Dental insurance rates remained the same and life insurance rates decreased.

Retirement benefits will realize a change in rates for the FY19 budget plan. The increase will take effect in July 2019 for one quarter of the fiscal year. The total budgetary impact citywide is approximately \$60,000. City employees are covered by the State of Idaho’s Public Employee Retirement System of Idaho (PERSI). The City contributes 2/3 toward employee retirement and the employee contributes 1/3. The change in rates was supposed to occur in July 2018, but was postponed by the PERSI board.

**5. Bonded Debt and capital planning.** In fiscal year 2018, the Fire department incurred debt to replace 3 pumper trucks. The last time bonds were issued for the City was in FY15 when the Idaho Bond Bank issued \$23.4M in sewer bonds to finance the EPA-mandated improvements at the wastewater treatment plant. The Mayor and Council budgeted for capital contingency expenditures in the amount of \$1,751,106 for FY 2018. These funds have facilitated capital expenditures for the purchase and remodel of a new Street/Sanitation building, completion of the Ross Park bathroom, Fire Master Plan, creation of a Fleet Management fund, new trucks for Animal Services, a car video server for the Police department and 2 thermal imagers for the Fire department. The fiscal year 2019 budget provides the Mayor and Council with the ability to meet capital needs with a capital contingency budget of \$1,000,000 as well as a “general” contingency budget of \$661,464.

**6. Street Infrastructure.** The Street Department is budgeted to maintain the street maintenance program. The base program of \$1 Million for road paving and sealing has been proposed. Funding will be adequate to achieve the goal of treating 10% of the city’s 265 miles of streets with appropriate overlay,

sealing and micro sealing treatments and meet the ADA requirements. As always, the estimate is subject to changes in material prices next season.

**7. Emergency Services.** The FY19 budget sustains existing operations and provides for the much needed emergency service equipment.

**8. Enterprise Funds (Utilities).** Utility rates will have modest increases for fiscal year 2019 if the proposed rate increases are approved. These increases are in accordance with the rate study adopted in fiscal year 2014. During fiscal year 2015, the city obtained bond monies for the phosphorus upgrade construction project, which was necessary to meet EPA mandated permit requirements, highlighted by a requirement to take more Phosphorus out of our discharge. The project is estimated to cost approximately \$23.4 million. The construction began in summer the of 2015 and will be completed in FY 2018.

A typical residential customer uses 9,000 gallons of water per month (less in winter, more in summer, 9,000 gallons is the median) with a 3/4” connection, has a 95-gallon sanitation cart service and has standard residential sewer. The combined impact in FY19 of proposed utility changes are illustrated below:

***City of Pocatello, ID Utility rate comparison***

	Adopted FY 17	Adopted FY 18	Proposed FY 19	Net Increase
Sanitation 95-gallon service	\$17.45	\$17.97	\$18.52	\$0.55
Water 3/4" fixed line charge	\$9.20	\$9.60	\$10.05	\$0.45
Water 9,000 gallons	\$21.69	\$22.32	\$22.86	\$0.54
Sewer, residential service	\$29.75	\$30.55	\$31.35	\$0.80
<b>Monthly Total</b>	<b>\$78.09</b>	<b>\$80.44</b>	<b>\$82.78</b>	<b>\$2.34</b>

\*The changes to utility rates will become effective October 1, 2018 for Sanitation, Water and Sewer.

Municipal utilities often have financial characteristics that are unique to each community. Communities differ in their water sources, wastewater discharge situations, landfill opportunities (or lack thereof) – all of which affect cost of operations and user rates. In the end, each community has to adjust to their circumstances. Despite that fact, it is still useful to know how our local utility rates compare in the region. Here is how our water utility compared in FY17 (FY18 comparison still to be determined as we and others adjust rates for the coming year):

**Water:**

	Ammon *	Chubbuck	Idaho Falls	Twin Falls *	Pocatello	Blackfoot	Meridian	Rexburg
6,000 gallons	\$38.25	\$30.90	\$28.90	\$28.38	\$23.66	\$21.90	\$16.89	\$15.87
10,000 gallons	\$38.25	\$35.50	\$28.90	\$35.22	\$33.30	\$21.90	\$24.49	\$19.55

\* Ammon's water is a flat rate, \$38.25 for small lots and \$45.75 for new large lots.

\* Twin Falls charges \$10.75 for arsenic treatment as of July 1, 2010.

**10. FY19 budget overall.**

**Strengths** of the budget plan include:

- The 2019 budget proposal addresses labor with the addition of 7 public safety positions, capital and additional operating needs related to services.
- Realistic revenue estimates.
- Continued application of the 2014 Rate Study.
- Workable pavement management program that will allow various treatments of about 10% of the city's streets while also continuing the implementation of ADA ramp mandates. The completion of the Idaho Transportation federal aid projects and repayment of the internal loan to the Sanitation Fund.
- Sustains public safety operations and the purchase of emergency equipment for the Police and Fire Departments.
- Realistic budget developed for the Transit operations to keep services in line with approved City match.
- Increase to levy to provide for the contingency purchases of capital and other one-time needs.
- Continuation of the hybrid pay grade plan for all non-public safety departments which has allowed the City to discontinue longevity pay and provide steps toward a market wage compensation.
- The City will change its medical insurance provider to Blue Cross, with the hope that employees will be better served and will be provided competitive rates.

Shortcomings to bear in mind include:

- Continued medical insurance cost increases, but the change in medical consultant services and insurance carrier could have an impact on the development of the FY 2020 budget.

## Detailed FY 2019 Proposed Budget Tables

The following pages are excerpts from the FY19 Budget Digest. These tables provide fairly detailed information fund by fund, department by department. Key information includes:

- 1) **Budget Summary.** This table lists planned revenue and planned expense for each fund, along with the difference between the two, if any. The normal expectation is that the fund will have a “balanced” financial plan in that revenues will equal expenses. But this isn’t always the case. Some funds may plan to build cash balance by having revenues exceed expenses this year. In future years, some of that accumulated balance might be used to allow a year in which expenses exceed revenue. A household analogy might be a car fund that is built up over several years to purchase an automobile. For several years, revenue exceeds expense. Then one buys the car and for that year, expenses exceed revenue.
- 2) **Comparisons and Charts.** Charts and comparison reports are provided for a deeper analysis of the proposed budget.
- 3) **Revenues.** This table shows revenue for each fund by broad category of taxes, licenses, charges for service and so on. The largest single source of projected revenue is charges for service, mostly in the city utilities (Water, Sewer and Sanitation).
- 4) **Property Tax Summary.** This page shows how \$29,785,570 in property taxes will be spent, how that compares to last year, how taxes compare FY08-FY19 and what the projected levy rate will be, based on current valuation projections from the County Assessor. If valuation comes in a little stronger, the levy rate would be a little less than shown here. If valuation is a little less, then the levy rate could go up.
- 5) **Expenditures.** This table shows expenditures by fund by broad categories (wages, benefits, supplies, utilities, etc.). The single biggest expense for the city is labor, with wages, medical benefits and other benefits combining for 45.89% of total projected expense. That is appropriate considering that the city is largely a service industry. Capital is also important, with the largest expenditures planned in the Street Fund, Water Fund, Water Pollution Control Fund, Airport Construction Fund, and Capital Improvement Fund.
- 6) **General Fund Department Detail.** This table shows expenditures by department by broad category within just the General Fund. The General Fund finances many of the “traditional” city functions, including Police, Fire and Parks. Fire and Police together account for 67.38% of the General Fund. The General Fund accounts for the largest share of property tax dollars (72.37%).
- 7) **General Fund Comparisons FY18 to FY19.** This two page table shows expenses by broad category within each department of the General Fund, compares that to the prior year FY18 and provides a dollar and percentage difference.

8) **Other Selected Fund Comparisons FY18 to FY19.** This three-page table provides similar comparisons for the other major funds of the city.

9) **General Fund, Tax Fund and City Wide Comparisons FY18 to FY19.** These three pages present comparisons in a vertical format and include a subset of the “tax funds”. These funds are supported mostly or in part by taxes and are of particular interest to most citizens.

Citizens may also want to refer to the “**Service Level Reports**”, available on-line. These briefing reports complimented the FY19 budget process, providing detailed analysis of inputs, outputs, efficiency, effectiveness and outcomes of every major city function. We analyzed results from the last completed fiscal year (FY2017) as part of the input to the FY2019 budget (with the FY2018 budget being currently executed).

Key documents available online under the Mayor’s page and the Finance department page at the city’s official public website [www.pocatello.us](http://www.pocatello.us) :

- 1) **FY 2019 Proposed Budget – Key Parameters** (this document)
- 2) **FY 2017 Service Level Report** (discusses city services for the last completed year)
- 3) **Proposed Fee Changes FY 2019 – detailed listing** (details fee changes for FY19)

The proposed budget and proposed fee change documents are also available in hard copy at city hall (info desk, Mayor’s office and Finance Department).

The “city-wide” snapshot sometimes loses some explanatory power because the overall figures mask year-to-year changes in capital projects and grants that materially impact the overall numbers. Overall, the city is authorized to spend more than it anticipates in revenue primarily for these reasons: 1) Federal Aid Projects Fund will expend reserves to complete planned Idaho Transportation Projects; 2) the Worker’s Compensation Insurance Fund is authorized to spend reserves if needed; 3) the Sanitation Fund is developed to expend reserves for services 4) the Water Construction Fund budget is developed to spend bond monies for water rights if opportunities are presented to the City in FY19 5)The Water Fund plans to spend reserves for capital projects 6)Fund 951 (police retirement) is programmed to gradually draw down as retiree expenses are completed (it is a closed end pension fund with no new entrants). Additionally, several other revolving loan funds are programmed for contingent use of cash reserves in case loan demand exceeds program income during the year.
