

CITY OF POCATELLO CLASSIFICATION SPECIFICATION

Utility Billing Specialist

Department: Utility Billing
Date Established: 3/2014

Reports to: Utility Billing Director
Date Revised: 12/2017

Pay Grade: H06
FLSA Status: Non-Exempt

CLASSIFICATION SUMMARY

The Utility Billing Specialist provides customer service to City water, sewer, and garbage customers by providing accurate billings and maintaining customer accounts. The job prepares and processes monthly billings, opens and closes accounts, answers questions, and provides information.

This job is extremely time sensitive with regular deadlines to adhere to a strict billing cycle. The work is very detailed oriented; the job includes reviewing meter reading edits for warnings and errors, issuing work orders if needed, posting readings to the billing system, calculating and reviewing charges on accounts and correcting errors. The work also includes generating a list of delinquencies, preparing door hanger cards for shutoff's if needed, generating account status letters and processing payments. The work must be completed within strict time constraints and each Billing Specialist handles a large number of accounts.

The job requires attention to detail and basic accounting and bookkeeping methods. The job requires strong customer service skills to respond to questions, provide information and resolve billing issues, often under stressful conditions.

The job requires the ability to maintain a collaborative and cooperative working relationship with elected and appointed officials, other City employees, other organizations, and the general public.

The work environment is a Department office environment that includes a public waiting area and multiple office desks where the noise level is generally moderate, but can be distracting with public interruptions or multiple phone conversations being handled at one time.
