

Youth Dance Classes

The Dance program is based on 16 weeks of instruction with a recital performance to show off newly obtained skills. Dance classes are held in the Fall Session (Sept - Dec) and the Winter/Spring Session (Feb-May). The registration fee of \$96 covers the entire 4 months; however, all that must be paid upon registration is the first month's fee of \$24. Then \$24/month will be due by the FIRST dance class of each month or a \$5 late charge will apply. If your child does not have a bar code DANCE ID then an additional \$5 will be due at the time of registration to receive that card.

Rest assured - you are not committing to four months of dance. If you register and your child does not like the class, you want to move classes or you need to cancel the remaining balance can be removed. Just contact the Recreation Manager at 208-234-6233 if the need arises.

Additional Fees: Costume fee of \$35/class will be due by the third month of dance and Recital fee of \$10/class will be due in the last month of dance. Shoes are \$16 and are optional; please check with instructor prior to paying for only some classes order them. Schedules are available at the Recreation Center or on-line at www.pocatello.us in early August and early December.
