

## Local Sources: Soil, Compost, Seeds/Plants, Storm Water Management, Erosion Control, etc.

The following is provided as a general guide to local sources that can assist with storm water best management practice efforts. This list is not exhaustive nor does it imply any recommendation for a listed source. Contact information and pricing is current at time of press.

### Soil Testing Companies (southeast Idaho):

- **Stukenholtz Lab**  
2924 Addison Avenue, E.  
P.O. Box 353 Twin Falls, ID 83303-0353  
<http://stukenholtz.com/> (208) 734-3050

Test #3 will measure CEC and organic matter at a cost of \$38/sample (2011 price).

Samples can be mailed in, using ziplock bags filled with 2-3 cups of each composite sample (if the swale is under 1,500 square feet only one composite sample is required).

### Soil Testing Companies (nationwide):

<https://web01.aphis.usda.gov/PPQ/AuthSoilLabs.nsf/web#id>
